

HEALTH SQUARED

RISE

IDEAL OPTION FOR
SINGLE, YOUNG ADULTS

The **Rise** option was specifically designed for the young and healthy who are starting out in life. It's one of the industry's most cost-effective hospital options with unlimited cover at an extensive range of private hospitals. As a member, you will be covered from every angle with:

- » Excellent chronic cover for 29 conditions
- » Great maternity benefits that include 2x GP or Specialist visits, 2x 2D scans & antenatal classes
- » Unlimited cover for Trauma & emergency-related MRI & CT scans
